DECISION

This is a correction to the 05 August 2008 decision, raised in applicant's communication filed in the United States Patent and Trademark Office (USPTO) on 11 August 2008 in the above identified application.

The decision mailed on 05 August 2008 incorrectly indicated that the new English translation of the international application was filed on 27 June 2008. A review of the USPTO files indicates that the correct date is **26 June 2008**.

The application will be forwarded to the United States Designated/Elected Office (DO/EO/US) for further processing including issuance of a new Notification of Acceptance in accord with this correction.
